Registered Architect

B.E Architecture is an award-winning residential architecture studio with notable architectural projects in Melbourne, Sydney and Queensland.

Our office in Cremorne is light filled and close to public transport.

Due to sustained business growth, we are looking for an exceptional Registered Architect who is passionate about design and dedicated to delivering projects of the highest standard.
We are a friendly, supportive and creative team and offer a great working environment.

We love committed people with a sense of humour.

We are looking for people with:
Attributes

- Dedication to work within a team of 4 – 6 to achieve great design outcomes
- Hands on and loves detail and design, wants to be involved from start to finish
- Wants to work in an energetic team-based culture
- Self-motivated person with flexibility and willingness to learn and adapt
- Experience of getting designs built on site
- Loves architecture and life, plus wants to grow and learn.

Skills and Experience

- Current registration with Architects Registration Board of Victoria with minimum 5 years' experience
- High level of skill using Revit in 2D and 3D minimum 3- 5 years
- Solid experience in design, documentation and construction
- Working on multiple projects simultaneously, plus also able to manage projects with clients and consultants
- Broad knowledge of how to put buildings together
- Broad knowledge of both the Planning Scheme and BCA and ABIC Major Works Contracts
- Experience in residential construction in Australia
- High level residential skills both interior and exterior.

Remuneration will be commensurate with experience and skills.
Interested candidates, please forward your CV together with a folio of design work to
