

Position Description

Senior Designer | Project Lead

Job Details

Position: Senior Designer

Salary: TBC

Job type: Full time

We are looking for an experienced and design-driven Senior Designer or Architect to join our award-winning practice.

This role is ideal for someone with 7–10 years of professional experience, combining strong conceptual thinking with the ability to deliver projects through all stages of design and documentation across a range of commercial sectors.

The successful candidate will have a passion for design, take pride in their work and value their professional relationships with others. They will be experienced in engaging and collaborating with clients, stakeholders and consultants to develop and deliver meaningful project outcomes.

As part of our close-knit team, the role will provide experience across both DesignOffice, and our specialist subdivision, Platform, helping shape Brands in Built Form.

We are a progressive and proactive practice, with our in-studio working week built around the core working days of Monday to Thursday. Personal flexibility can be tailored around this framework to suit individual preferences.

This is an opportunity to join a collaborative studio where design excellence, curiosity and innovation are valued, and where professional growth is encouraged and leadership development is fostered.

What We are Looking For:

- 7–10 years experience in interior design and architecture
- Strong skills in conceptual design and strategic design-thinking
- Brand fluency with a strong interest in human-centred design
- Experience across a range of sectors including retail, hospitality, multi-residential and workplace
- Confidence engaging with clients, stakeholders and consultant teams
- Strong communication and presentation skills
- Excellent organisational skills and attention to detail
- Ability to work independently while contributing positively to a collaborative studio culture

Additional Advantageous Skills

- Vectorworks experience (not essential)
- Mac based software proficiency

What We Offer

- The opportunity to work as part of a tight and consciously small scale design team committed to innovation and design excellence
- Exposure to a broad range of project sectors and scales
- A collaborative and supportive studio environment
- Ongoing professional development and career progression opportunities
- A culture that values initiative, creativity and strategic thinking
- Access to the annual Hospitality Research Fund
