

## **Architect or Experience Graduate**

**Searle x Waldron Architecture** is looking for a **Registered Architect or Experienced Graduate** to join our Melbourne studio. 5-7 years minimum professional experience required.

We are a design-focused, award-winning practice based in St Kilda, working across a diverse range of public, civic and community projects. Our studio values thoughtful design, collaboration and creative problem solving, with a strong focus on architecture that enriches community and context.

We are looking for someone with:

- 5–7 years professional experience (minimum)
- Strong Revit skills (essential)
- Rhino experience (a bonus)
- Strong design, documentation and detailing skills
- Experience coordinating consultants and project teams
- Excellent communication skills
- Interest in public, civic and community focused architecture
- A collaborative, curious and proactive approach
- FT or 4 day work week position

The role offers the opportunity to work closely with the Director and project team across all stages of projects, from concept through to delivery.

If this sounds like the right next step for you, please send your CV and portfolio to [work@sxwa.com.au](mailto:work@sxwa.com.au)

Direct applications and Australian residents only please.
