

Senior Architect  
January 2021

Winwood McKenzie is looking for a talented registered architect with a minimum of 5 years experience to join our team. The role is appropriate for someone who is passionate about architecture - specifically its realisation through beautiful detailing and comprehensive documentation that demonstrates a curiosity in how architecture is put together. Ideally, you will have experience as a project architect and be developing your skills at leading projects and looking to work both independently and as part of the team. We are looking for an architect who is keen to be involved in the dynamic growth of an emerging practice in a long term role.

#### Project Role

Your role will include responsibility for the delivery of documentation, contract administration, and coordination of tasks during the design development, documentation, and contract administration stages of residential and commercial projects.

As a senior architect you will have a high level of involvement with clients, consultants, collaborators, and builders to deliver projects.

#### Skills and Experience

- 5 + years experience
- Self motivated professional who takes responsibility for delivering outcomes.
- Experience in documentation of high end residential projects including liaising with suppliers and fabricators and collaborating with consultants and contractors.
- Efficient preparation of documentation drawings, schedules, and specifications.
- Excellent attention to detail and interest in materials and construction.
- Be aware and comfortable in identifying and communicating issues or difficulties in completing tasks or realising aspects of the design in a constructive and professional manner.
- Excellent Revit skills
- Registered with the ARBV

#### Remuneration and Hours

Salary will be commensurate with experience and skills

Full time position

Our studio is located in Mitchell House in Melbourne's CBD.

#### Apply

If you have a passion for architecture, materiality, and research and are enthusiastic about detailing and construction please send your CV and portfolio in PDF format to [studio@winwoodmckenzie.com.au](mailto:studio@winwoodmckenzie.com.au).

Please submit applications by the 25th January 2021.
