

Join The Archiblox Family

Architectural Draftsperson.

About ArchiBlox

Archiblox is a multi-award-winning Design and Construct company that dominates the growing industry of sustainable design in architecture and construction space using modular building methods. Passionate about quality and innovation, Archiblox continues to grow rapidly with a culture of collaboration and entrepreneurship. We are not your typical architecture company and looking for someone that enjoys contributing ideas that will ultimately make a difference.

The Role

Archiblox is currently seeking an experienced **Architectural Draftsperson**. This role will have you documenting a variety of residential and light commercial projects that are sustainable and innovative. This is an exciting opportunity for a skilful draftsperson that is looking to experience Modular Architecture and has had industry experience in supporting, drafting and documenting, and delivering projects including interior scopes.

Ideal Candidate:

Your key responsibilities will include

- Prepare and lodge accurate and timely town planning packages
- Complete accurate and timely architectural drawing packages for contracts
- Engage and coordinate required planning consultants, engineers and sustainability consultants
- Coordinate projects in all stages from design development through to construction administration.
- Work in collaboration with our design Architects, estimating, contract management and the construction team
- Co-ordinate skills with these teams to improve processes and systems and to workshop technology.

The Successful Applicant

- Demonstrated Circa 9+ year's experience in a Drafting role
- Highly developed interpersonal and communication skills
- Organisational skills with a strong ability to multi-task across a variety of activity
- Diploma of Building design or equivalent tertiary qualification
- Solid knowledge of Microsoft packages and ArchiCAD
- Understanding of Australian Standards and necessary requirements for safety, health, amenity and sustainability in design and construction of new buildings
- A natural team player
- Flexible and the ability to adapt to changing conditions
- Strong practical approach/common sense.
- High attention to detail
- A passion for delivering professional outcomes that move the business forward

Culture and Benefits

- Competitive remuneration - be rewarded for your success
- Be part of a high performing environment, where winning big is contagious!
- The opportunity to gain experience with a market leader
- Immerse yourself in a passion – share the team's passion for the Archiblox brand!
- Training for career advancement
- Growth opportunities
- Archiblox own public holiday (Mon of the cup weekend)
- Flexible working hours

We are looking for a person with high levels of energy and willingness to take initiative and be challenged.

If this role sounds like the golden opportunity you have been waiting for and we have perfectly described your character, passions and career goals, we would love to hear from you.

To apply send email to christine@archiblox.com.au and attach your resume with a supporting cover letter outlining your relevant experience and what appeals to you about this opportunity.

We look forward to hearing from you.

Respectfully, only shortlisted applications will be contacted.
