

## Experienced Registered Architect

B.E Architecture is an award-winning residential architecture studio with notable architectural projects in Melbourne, Sydney and Queensland.

Our office in Cremorne is light filled and close to public transport.

Due to sustained business growth, we are looking for exceptional Registered Architects who are passionate about design and dedicated to delivering projects of the highest standard.

We are a friendly, supportive and creative team and offer a great working environment. We are looking for an Experienced Registered Architect to assist the Team Leader to design, develop and construct housing projects worth \$15m-\$20m.

We love committed people with a sense of humour.

### We are looking for people with:

#### Attributes

- dedication to work within a team of 4 – 6 to achieve great design outcomes.
- hands on and loves detail and design, wants to be involved from start to finish
- wants to work in an energetic team-based culture
- self-motivated person with flexibility and willingness to learn and adapt
- design based applicant with experience of getting designs built on site
- loves architecture and life, plus wants to grow and learn.

#### Skills and Experience

- current registration with Architects Registration Board of Victoria with minimum 6- 8 years of experience
- high level of skill using Revit in 2D and 3D minimum 3- 5 years
- solid experience in design, documentation and construction
- working on multiple projects simultaneously, plus also able to lead on projects with clients and consultants
- broad knowledge of how to put buildings together
- broad knowledge of both the Planning Scheme and BCA
- experience in residential construction in Australia
- high level residential design skills both interior and exterior

Remuneration will be commensurate with experience and skills.

Interested candidates, please forward your CV together with a folio of design work to [jon.b@bearchitecture.com](mailto:jon.b@bearchitecture.com)
