

Windust Architecture x Interiors

Windust are architects, interior designers, and design strategists based in South Melbourne.

Our focus is on creating enduring and sustainable environments, maintaining valued client relationships and making spaces that are A joy to Inhabit.

We have a strong pipeline of projects for the coming year and we are looking to consolidate our team for the start of 2020.

You will benefit from a supportive learning workplace culture, with the directors invested in the positive development and wellbeing of all.

Experienced Architectural Graduate/ Architect

We are currently looking for a passionate and engaged experienced graduate/ Architect. The successful candidate will have a **minimum 3 years** post-graduate experience, including experience in delivering high end residential architecture x interior projects.

- Strong construction and documentation skills (AutoCad + Sketchup, Revit ideally.)
- Ability to coordinate consultant work and liaise with authorities proactively
- Excellent knowledge of town planning, the building code and approval processes
- Excellent communication skills in working with builders, clients, consultants, and other team members.
- Passion for both architecture and interiors
- Professional attitude, eye for detail, and a conscientiousness approach to project challenges

The successful candidate will work alongside, with the support of the directors and other team members in a friendly environment, overseeing projects from concept to completion.

Please submit a detailed CV and portfolio (max 5MB) to info@windust.com.au
