

ARCHITECT / ARCHITECTUAL GRADUATE

Chester Architects is a small Richmond based studio with a focus on commercial, multi-unit residential and educational architecture. We are passionate about architecture and sustainability.

We are looking for an enthusiastic and friendly architect to join our team. The successful applicant would be involved in all phases of the architectural process from design, documentation and through to contract administration. We take our roles as mentors in the profession very seriously. We have trained a number of architects over the years, many of whom are now in their own practices, or play senior roles in our own.

Architects should have a minimum of three years post graduate experience using Autocad and sketchup

Remuneration is negotiable based on experience and skills

Please send CV together with a folio to c.chester@ccarch.biz
