

# vincent.chrisp

**Vincent Chrisp are a progressive, well respected architectural practice who specialise in designing community projects in the education, justice and health sectors that our staff are proud of being part of.**

With 35 staff over two locations, our Southbank office is looking for people to join our team. Be part of a close knit practice with a respectful, supporting culture, with opportunities to advance your career within the practice.

We are a Revit based practice.

## **Positions available:**

### **Project Architect:**

We are seeking an architect with a proven track record in design development, documentation, contract administration & sub consultant co-ordination. You will have min 5 years experience and have been involved in projects from design through to construction. The role will encompass project management, design, documentation, contract administration and quality management as well as overseeing project team members. Experience in education, health (hospitals and labs) or justice projects preferred

### **Interior Architecture Graduate / Student**

Supporting our senior interior designer this role is an opportunity for a talented and motivated Interior Architecture Graduate / Student to join our team. You will be provided with the scope to utilise your creativity, skills and being a pivotal part of the interiors team you will gain experience and knowledge quickly.

A competitive remuneration package will be negotiated with the successful candidates.
