

Architecture architecture

Project Architect

ARCHITECTURE ARCHITECTURE

Architecture architecture is an award-winning Melbourne-based practice, recognised for its dedication to contemporary architecture and design. With extensive experience working with residential, institutional and commercial clients, Architecture architecture have a reputation for delivering high quality design outcomes for projects of all types and sizes.

JOB DESCRIPTION

We're seeking an ambitious, passionate project architect with 5+ years experience delivering high quality work in the education sector to join the Architecture architecture family.

We are looking for someone who is enthusiastic, self-motivated, shows initiative and can work with a limited amount of supervision. Strong communication skills are essential as the role will require coordination of documentation and consultant & stakeholder management.

Proficiency in AutoCAD and SketchUp is preferred however, if required, time to develop these skills will be given to the most suitable candidate.

REMUNERATION

Salary will be commensurate with experience

APPLICATIONS

Please email your CV & portfolio to office@archarch.com.au with the subject line "an architecture architect".
