About the Victorian Architecture Awards

The Australian Institute of Architects Awards program offers an opportunity for public and peer recognition of the innovative work of our Victorian architects. The program also provides the Institute with a valuable mechanism to promote architects and architecture within Victoria, across Australia and internationally.

Award Categories in Victoria:

Residential Architecture – Houses (New)

Residential Architecture – Houses (Alterations and Additions)

Residential Architecture - Multiple Housing

Small Project Architecture

Urban Design

Heritage Architecture

Interior Architecture

Commercial Architecture
Public Architecture
Educational Architecture
Sustainable Architecture (all entries considered)
COLORBOND® Award for Steel Architecture (all entries considered)
Enduring Architecture (buildings of at least 25 years of age may be considered

State-Specific Awards
- Victorian Architecture Medal - The highest honour awarded by the Victorian Chapter each year and judged to be the most outstanding project from the entire field of entries.

- Melbourne Prize - Recognises projects that have made a significant and unique contribution to the Melbourne metropolitan area.

- Regional Prize - Recognises projects that have made a significant contribution to Regional Victoria.

Judging Criteria
Conceptual Framework
Public and Cultural Benefits
Relationship of Built Form to Context
Program Resolution
Integration of Allied Disciplines
Cost/value Outcome
Sustainability
Response to Client and User needs
