

EXPERIENCED GRADUATE ARCHITECT / ARCHITECT

Term: Full Time

Salary: Negotiable, commensurate with experience

About the company

Ewert Leaf is a dynamic, multi-disciplinary design and architecture firm distinguished by an innovative yet commercial approach to design solutions. The firm has grown considerably since 2009 and continues to deliver award-winning projects across a range of sectors including multi residential, residential, hospitality and commercial. The firm is led by a management team who are passionate about shaping the future of the industry, embodied by the recent establishment of our Innovation Lab to harness new ways of solving client needs.

About the role

Ewert Leaf is seeking a highly skilled and motivated Graduate of Architecture / Architect to contribute to a variety of projects through all phases including Feasibility, Sketch Design, Town Planning, Construction Documentation and Contract Administration.

The right candidate will be either developing their career in architecture with a passion for design and a positive and professional attitude or a registered architect with credible experience in all aspects of project delivery. As a self-driven and independent worker, you will have the opportunity to contribute to or confidently lead a range of projects in a collaborative team environment while continuing to develop a breadth of experience in all aspects of project delivery. You will actively seek to develop skills through attendance and participation in learning events including training and briefing sessions run by the practice. You have an eye for detail and strong organisation and time management skills.

Skills and experience

- A recognised architectural degree, proven industry experience and, if applicable, current practicing registration (Architect).
- An interest or proven track record in at least one of the following sectors: multi-residential, commercial, aged care, hospitality or retail
- Proficient in Revit, AutoCAD, Sketchup and Adobe Creative Suite
- Excellent communication and collaboration skills
- The ability to develop, engage and build relationships with internal and external stakeholders across all levels
- Strong organisational and time management skills
- Detail orientation
- Enthusiastic and proactive approach

Benefits and perks

- Work from a conveniently located studio close to Albert Park with must see views of the city
- Work in a dynamic, engaging and collaborative environment with a strong social culture that empowers individualism
- Full exposure to a diverse and growing range of projects across multiple sectors
- Work closely and collaboratively with all levels of management
