

INTERIOR DESIGNER

Term: Full Time

Salary: Negotiable, commensurate with experience

About the company

Ewert Leaf is a dynamic, multi-disciplinary design and architecture firm distinguished by an innovative yet commercial approach to design solutions. The firm has grown considerably since 2009 and continues to deliver award-winning projects across a range of sectors including multi residential, residential, hospitality and commercial. The firm is led by a management team who are passionate about shaping the future of the industry, embodied by the establishment of our Innovation Lab to harness new ways of solving client needs.

About the role

The Interior Designer will contribute to and work collaboratively with our team in a variety of projects through all phases from sketch design to construction. The successful candidate will have a strong design and presentation ability with a balance of creative and technical skills. The role offers the opportunity to work across a variety of exciting projects including residential, multi-residential, commercial, workplace and hospitality. We are seeking a highly skilled and motivated team member, with a passion for design and a positive professional attitude.

Key responsibilities

- Strong design and presentation skills which can be translated through Sketch Design, Design Development and Construction Documentation packages, through plans, elevations, sketches and 3D modelling.
- Selection of materials and FF&E for client presentation and preparation of specification documentation.
- Drafts project documentation to a high standard.
- Demonstrates growing technical and regulatory knowledge in the drafting of documentation and contributes to the project design and scope.
- Effectively and promptly communicates with team members, clients and consultants.
- Actively seeks to develop skills and career through attendance and participation in learning events including training and briefing sessions run by the practice and other learning opportunities.

Skills and experience

- Minimum 4 years post graduate Interior Design experience
- Degree in Interior Design
- Experience in multi-residential, workplace and hospitality sectors
- Good construction and documentation knowledge
- Proficient in AutoCAD, Revit, Sketchup and Adobe Creative Suite

Benefits and perks

- Work from a conveniently located studio close to Albert Park with must see views of the city
- Work in a dynamic, engaging, and collaborative environment with a strong social culture that empowers individualism
- Full exposure to a diverse and growing range of projects across multiple sectors
- Work closely and collaboratively with all levels of management

How to apply

- Must be eligible to live and work in Australia
- Submit a cover letter, CV and portfolio to careers@ewertleaf.com.au
- Only shortlisted candidates will be notified for an interview
- No recruitment agencies please
