

## Join the Six Degrees team: ARCHITECTURAL GRADUATE/ ARCHITECTURAL DOCUMENTOR

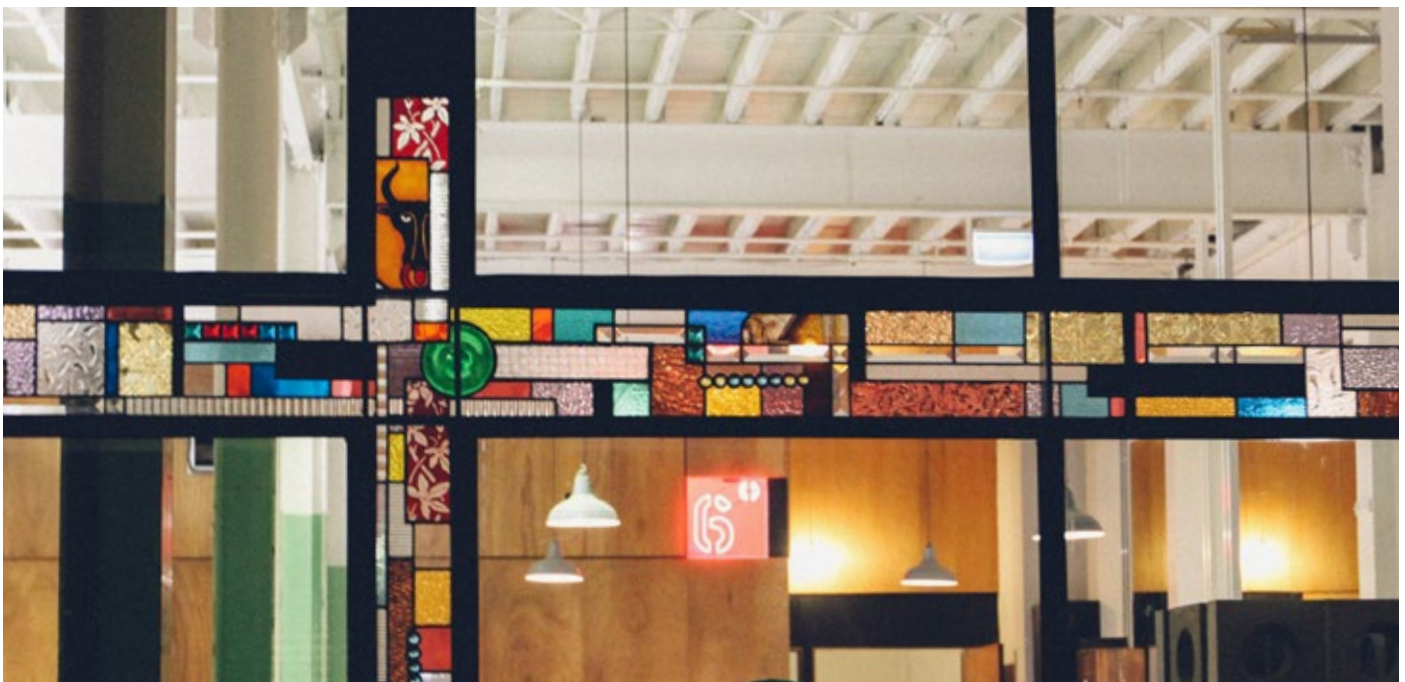

Six Degrees is a team of creative, expert and experienced multi-disciplinary architects, architectural graduates, and designers who have a passion for design and the craft of architecture.

Six Degrees is seeking an Architectural Graduate or Architectural Documentor with 2–6 years' experience to work on a range of commercial, institutional, and apartment projects.

The candidate must have a collaborative spirit, an eye for design detail, as well as:

- Excellent Revit experience: ability to manage/maintain models of various scales and complexity, proficient in producing high quality documentation, detailing and BIM models, with an eye for detail and a familiarity with family creation and manipulation
- Adobe Creative Suite
- Sketch-up (desirable)
- Experience documenting a range of typologies and project scales (i.e. \$3m–\$80m)
- Understanding of key construction methodologies, combining adaptive reuse as well as new buildings
- Concise and professional written communication skills
- Excellent time management and organisational skills
- Collaborative disposition, works willingly with other team members
- Problem solving & generosity with knowledge and experience

12 Month Contract with possibility to extend.

To join our team for this position, please forward your CV and portfolio (under 10MB) with *Architectural Graduate/Architectural Documentor* in the subject heading to [careers@sixdegrees.com.au](mailto:careers@sixdegrees.com.au)
