

Conrad Gargett is a multi-disciplinary practice with a focus on integrating architecture, landscape architecture, interior and urban design. With over 165 staff in 6 studios nationally and internationally, we have successfully developed a reputation for design in specialist buildings and various sectors including health, education, defence and more. Refer to our website www.conradgargett.com.au for more information.

We are now seeking experienced Architectural Technicians (5-7 years experience, Revit proficiency a must) to join our Melbourne studio.

The role will encompass all aspects of tender and construction documentation, quality control, and services coordination.

The Architectural Technician is required to work with Practice Leaders (including Associates, Senior Associates, Principals and Directors) and fellow team members to manage the delivery of quality documentation through all stages of the project, including construction.

It is essential the applicant is a Revit technician and has a solid experience using this platform.

Key Requirements:

- 5-7 years experience
- Revit proficiency essential
- Highly developed organisation skills
- Forward thinking and proactive in situations where required
- Excellent written and verbal communication skills
- Attention to detail
- Ability to multi-task, prioritise and work to meet tight deadlines
- Loyalty and confidentiality
- Professional and friendly attitude

At Conrad Gargett, our purpose is to create meaningful places for people. We recognise the contribution of our diverse backgrounds in fueling our creativity and achieving this purpose. We strive to nurture and build a culture based on respect, trust and inclusiveness.

With a close knit group of design professionals, our Queen Street, Melbourne studio is supported by the head office in Brisbane and other studios around Australia. CG offers an active social committee and a generous annual professional development allowance as well as in house training opportunities. Remuneration is negotiated based on skills and experience.

You must have the right to live and work in Australia to apply and due to client requirements related to visiting site, must be fully COVID-19 vaccinated.

Please email your cover letter and resume to careers@conradgargett.com.au including 'Architectural Technician, Melbourne' in the subject line. Only shortlisted candidates will be contacted.
