

# ASSOCIATE / SENIOR ASSOCIATE

**Term:** Full Time

**Salary:** Negotiable, commensurate with experience

**Job Summary:** Exciting leadership opportunity for an experienced Architect or Interior Designer to participate in the ongoing success and growth of Ewert Leaf.

- Lead and develop talent to shape the future of the industry
- Work in a collaborative and supportive culture
- Be part of a progressive and innovative studio

## About the company

Ewert Leaf is a dynamic, multi-disciplinary architecture and design studio distinguished by an innovative yet commercial approach to design solutions.

Our diverse portfolio of work spans private residential, multi-residential, commercial, hospitality, retail, and aged care sectors.

The studio leaders are passionate about mentoring and developing talent to shape the future of the industry in the way we work, learn and live.

Nestled close to Albert Park in South Melbourne, our practice is an engaging, community focused collaborative space.

## The Opportunity

We are seeking an ambitious Associate/Senior Associate who is passionate about driving a variety of exciting projects through all phases including Feasibility, Sketch Design, Town Planning, Design Development, Construction Documentation, Construction Services and Contract Administration.

As an integral part of the leadership team, this role will be involved in the company's overall strategic objectives, including the implementation of action plans in line with our vision, mission and values.

The role will include aspects of business development, strategy and early feasibility studies through to project delivery. You will have exceptional client and leadership skills, collaborating with the Architecture & Interior Design teams to deliver exceptional outcomes.

## About the role

As an experienced Architect or Interior Designer, you possess strong design and technical skills with an inherent commercial approach to deliver projects across multiple sectors. You will seize the opportunity to participate in the ongoing success and growth of Ewert Leaf through your valued leadership contribution.

As a motivated and proactive professional, you will confidently lead communications with clients, consultants and other stakeholders. You will be at the forefront of a broad range of projects – actively contributing to resourcing and financial management – whilst providing overall guidance and mentorship to the team.

Above all, you have a passion for design and will actively lead a team through all project stages, engaging in our collaborative studio community and driving unique design solutions.

## Skills and experience

- Degree qualification in the relevant area or equivalent demonstrated experience
- Demonstrated local experience across all project stages from inception to completion
- Business development skills including identifying new client opportunities, preparing fee proposals and leading feasibility studies
- Significant subject matter expertise in at least one of our key sectors
- Strong people developer with excellent mentoring and knowledge sharing skills
- Outstanding design and presentation skills
- Exceptional client relationship management skills
- Established industry connections
- Excellent technical, construction and regulatory knowledge
- Proficient in AutoCAD, Revit, SketchUp and Adobe Creative Suite

## How to apply

- Submit a cover letter, CV and portfolio via Seek\*
- Must be eligible to live and work in Australia
