Denton Corker Marshall is one of Australia's leading design practices with a focus on high-quality design outcomes. We pride ourselves on our collaborative and engaging work practices and invite you to join us.

We are looking for highly motivated architectural professionals with 4+ years of work experience to work in our Melbourne Studio. The applicant should demonstrate detailed design and documentation expertise, with experience in complex projects.

The Role

- Work on variety of exciting, large-scale architectural, interiors, infrastructure architecture and urban design projects.
- Work and collaborate as part of a project team and liaise with clients and consultants.
- Production of detailed plans, drawings, schedules, and specifications.
- Design and documenting in REVIT.

Skills and Experience

- 4+ years of experience
- Experience in large-scale and complex projects
- Highly proficient in BIM (Revit)
- Proficiency in Adobe Creative Suite and Microsoft Office is an advantage
- Excellent communication skills, both written and verbal
- Excellent time management
- Strong attention to detail
- Full working rights in Australia.

The Studio

The studio assists our staff in their professional and personal development, by offering a variety of benefits:

- Flexible Working Arrangements.
- Wellbeing initiatives.
- Mentoring programme.
- Training/ Knowledge Share and access to online training program.
- AIA Membership (including acumen practice notes).
- Regular social and team building activities

If interested in this position, please send your resume and CV, portfolio, and references in PDF format to careers.au@dentoncorkermarshall.com quoting job reference number **EA101**.
