

Positions: Graduate Architect
Salary: Negotiable
Job type: 4-5 days per week
Location: St Kilda

Robson Rak specialize in single residential architecture and interior design. We are looking to grow our team and would love you to consider joining us. We believe in working hard but maintaining a healthy work life balance to ensure our passion and love for design remains fresh and unique.

- We seek a dynamic, reliable, highly organised, and confident graduate architect to join our team
- 2+ years of experience in the residential sector of Australian design
- Self motivated and passionate about design, with a strong eye for detail
- Able to work on multiple tasks at once and work under guidance of senior project architect
- Full, unrestricted working rights in Australia (sponsorship not offered)
- Excellent written and verbal communication skills and ability to work unsupervised
- Team oriented and able to work with others in a team environment

Please forward your CV to studio@robsonrak.com.au.
