

Design Architect – Practice Lead

Practice Description

Architecture Caisson is a studio for architecture, urban and interior design located in Cremorne. Our expertise extends across a variety of typologies that include prestigious houses, apartments and townhouses, schools and other education spaces and commercial environments.

Position Summary

Are you a talented designer, currently working for a reputable practice, who feels ready to lead the design team? If being the lead designer for a practice that will shape your career towards directorship sounds appealing then this position could be the ideal opportunity for you.

Role Description

We are now seeking a dedicated and highly skilled Design Architect with a minimum of 8 years of experience, showcasing exceptional design proficiency, as well as a proven track record in project and team leadership, particularly in the successful execution of diverse architecture and design projects.

This presents an exceptional opportunity for an individual with a deep passion for their craft to immediately assume a pivotal role in design leadership. Furthermore, this role offers a trajectory toward directorship within our firm.

Your ability to effectively communicate, adeptly address challenges, and provide innovative design solutions underscores your capacity to guide and facilitate the design process, working seamlessly with other team members.

In terms of technical ability, your knowledge of construction methods empowers you to create meticulously crafted structures. Ideally, you will have had experience in both high-end residential and multi-unit residential projects and all phases of the design and procurement process. Proficiency in the use of 3D CAD software for presentation and documentation is required with the ability to use ArchiCAD being viewed particularly favourably.

Skills & Experience:

- Registered architect with a minimum of 8 years postgraduate experience in the local field.
- Proven expertise in high-end single dwelling and/or multi-unit residential projects.
- Exceptional aptitude in design, detailing, and project management.
- Enthusiastic about collaborative work environments.
- Extensive experience in client-facing roles.
- Meticulous attention to detail.
- Exceptional time management and delegation capabilities.
- Self-sufficient leadership of project teams with minimal supervision.
- Effective management of external consultant teams.
- Strong commitment to sustainable design principles.
- Proficient in ArchiCAD.
- A willingness and capacity to mentor junior team members
- Hold a current Australian driver's license

Our Culture:

The culture of our business rests on the principle that collaboration is the key to success. Our studio fosters a shared design culture, an active exchange of ideas and an intellectual rigour and close attention to detail in everything we do. Every team member plays a critical role and we maintain a studio environment that supports and celebrates this.

Architecture Caisson offers a dynamic, inclusive and supportive studio environment that nurtures the skills and talents of aspiring architects, interior designers and draftspersons. At our firm, we recognize that a great attitude is a key driver of success. We seek individuals who embody a positive mindset, approaching challenges with enthusiasm, and fostering a collaborative and harmonious office culture. Your dedication to creating a vibrant work environment will align perfectly with our values.

Sustainability Commitment:

We are deeply committed to sustainable practices and have set ambitious targets for achieving carbon neutrality. We are looking for like-minded individuals to collaborate with us to design spaces that pave the way forward with sustainable rigor.

If you are an ambitious Architect seeking an exceptional opportunity, we would love to hear from you. We are a rapidly growing practice where your contribution will be integral in shaping the direction of the design firm. This role will provide you with incredible professional growth, work-life balance, and a supportive office culture that will elevate your architectural career to new heights.

Applicants must be currently eligible to live and work in Australia on a permanent basis.
