CATEGORY ELIGIBILITY

MEMBER: Architect registered with one of the registration boards of Australia or other recognised registration authority. Member category members who attained their first registration between 2022-2025 may be eligible for a lower fee. (only available to Rate 1 & 2 practices)

FELLOW: Member awarded an Australian Institute of Architects Fellowship in recognition of their significant contribution to the profession.

LIFE FELLOW: Member awarded an Australian Institute of Architects Life Fellowship in recognition of their outstanding contribution to the profession.

ASSOCIATE: 'Non-practising' architects or graduate of an accredited course of architecture (Master of Architecture or equivalent) in 2019 or earlier.

GRADUATE: Graduate of recognised course of architecture (Master of Architecture or equivalent) within the last 5 years. Graduation year 2020 - 2025.

AFFILIATE: Graduate of a bachelor's degree (or higher) in a discipline related to the built-environment, including the 3-year undergraduate degree in architecture

^STUDENT: Enrolled in a degree or master's level course of study in a built-environment related discipline. ^The \$49 fee is not charged to the practice but students must have an active membership to be included within the membership and gain access to benefits.

NON-MEMBER 'ACCESS' CATEGORY: Available only to staff of architectural practices who are ineligible for one of the membership categories (including Student) but who require access to membership resources to perform their role within the practice. This is a non-member category and is limited to access under the named practice only by invitation from the practice.

* CONCESSIONAL FEE OPTIONS:

Reduced fees can be applied to some fee categories for certain circumstances. These include Parental leave, Post-graduate leave and Part-time (0.4 FTE) and in exceptional circumstances, reduced fees for financial hardship. The reduced fee only applies where eligibility is met and, the concessional fee is lower than the applicable category fee. Conditions apply, contact membership@architecture.com.au for more details.

CALCULATING TOTAL PRACTICE MEMBERSHIP FEES

STEP 1: Select applicable practice rate based on number of enrolled members per state-based office/studio

STEP 2: Add practice fee to category fees for each enrolled member (excluding students)
