

Practice Profile

Since 2009, Windust Architects x Interiors have been delivering enduring and sustainable environments, maintaining valued client relationships, and making spaces that are a joy to inhabit.

We have an exciting pipeline of both residential and small commercial projects coming up, and we are looking to grow our team.

Interior Designer

We are looking for a talented graduate Interior Designer, with a minimum of 2 years local work experience, including experience in designing + documenting high end residential spaces. Our ideal candidate will be:

- Well organised and experienced in leading small projects.
- Excellent communication and coordination skills in working with team members, builders, clients, consultants, and authorities.
- Demonstrated documentation experience (Preferably ArchiCAD+ AutoCAD, Adobe Photoshop, Indesign, Office).
- Professional attitude, eye for detail, and a conscientiousness approach to project challenges.

The successful candidate will have the support, and work alongside, the directors and other team members in a friendly environment, overseeing projects from concept to completion.

You will benefit from a supportive learning workplace culture, with the directors invested in the positive development and wellbeing of all.
