

Brand Architects

Senior Architect / Technician

Brand Architects is a highly respected Architectural practice working on a diverse range of public infrastructure projects. Our focus is on delivering socially and environmentally sustainable design outcomes.

This is an exciting opportunity for a talented and experienced Senior Architect or Architectural Technician who is passionate about the role of architecture in the community, and dedicated to delivering projects to high professional standards.

Our Practice

Our practice of over sixty talented Architects and designers is based in East Melbourne surrounded by parks, close to public transport, and a short walk to the city. We are a certified BCorp and carbon neutral practice with a commitment to diversity, equity and inclusion in our hiring policy. We foster a welcoming team-oriented atmosphere, where mutual respect, innovation and collaboration are core values that are nurtured.

The role

We are seeking a technically minded Architect or Technician to complement our team. The role will include a broad range of potential tasks with a focus on design and documentation quality and construction stage services.

The successful applicant will:

- Be a registered architect, or an experienced Architectural Technician with at least 8-10 years post graduate experience in the local environment.
- Have a passion for working collaboratively, and desire to professionally mentor younger team members...
- Be a great listener, open and welcoming of new ideas and better ways of doing things.
- Possess a strong attention to detail, and commitment to high quality outputs.
- Demonstrate outstanding technical and construction knowledge.
- Possess excellent time management and effective delegation skills.
- Be able to confidently perform construction stage technical and contract administration services with minimal oversight.
- Be a proficient REVIT user.
- Ideally have experience working on major state and local government projects.

The position will offer excellent job satisfaction for the right applicant. Remuneration will be negotiated relative to qualifications, demonstrated skills and relevant experience. Candidates must be permanent Australian residents.
