

# Architecture architecture

## Project Architect

### ARCHITECTURE ARCHITECTURE

Architecture architecture's reputation for innovation has seen us consistently awarded for design excellence. Whether we're designing a school, a city square or a home, our philosophy is underpinned by a firm belief in the potential of architecture to foster positive social environments.

### JOB DESCRIPTION

Architecture architecture seeks a passionate project architect with 2+ years' full-time documentation experience to join the Aa family.

We seek candidates who take pride in the quality of their work and enjoy being part of a team. Candidates should be enthusiastic and self-motivated with the ability to work with limited supervision. Strong visual, verbal and written communication skills are essential.

Proficiency in ArchiCAD and SketchUp is preferred however, if required, time to develop these skills will be given to the most suitable candidate.

### REMUNERATION

Salary will be commensurate with experience
