

ARCHITECT/ BUILDING DESIGNER/ DOCUMENTER

Andronas Conservation Architecture is an award-winning practice focused on heritage architecture. We are seeking an Architect/ Building Designer/ Documenter who is able to work both autonomously and collaboratively in a friendly, supportive and flexible working environment.

The following qualifications/ skills/ experience are mandatory requirements:

- Appropriate University or TAFE qualification,
- At least **5 years** post-graduate experience,
- AutoCAD (Advanced)
- Good understanding of construction techniques/methods and materials,
- Working knowledge of the building code, regulations and standards etc.

The following additional qualifications/ skills/ experience would be viewed favourably:

- An interest in built heritage,
- Contract Administration experience,
- Adobe Photoshop (Intermediate)
- Sketch Up (Intermediate)
- MS Word, Excel & Outlook (Intermediate)
- Excellent verbal and written communication skills.

This role would be full-time and ongoing with a salary commensurate with experience.

Please send your application (including your CV, a covering letter and sample folio) to Mr Luke Peldys via email (lp@andronas.com.au).

Applications close Monday 10th February, 2020.
