

GRADUATE ARCHITECT/ARCHITECT

This practice in Carlton requires a talented Graduate Architect/Architect on a full time basis. We are a busy small size practice with a collaborative and supportive team and specialise mainly in the considered residential sector with some small commercial projects.

As a prerequisite the following skills and experience are required:

- **Architect with 5 - 6 years local experience**
- **Detailed design documentation skills**
- **Previous experience in the residential sector**
- **Excellent communication skills**
- **Ability to solve complex issues effectively**
- **Capacity to work as part of a team but also independently**
- **Highly motivated, organised and pro-active**

Remuneration is commensurate with capabilities and experience.

If you possess the relevant skills and experience please email your CV and portfolio to office@robertsimeoniarchitects.com
