<u>Home</u> – <u>Review</u> – <u>Prequalification scheme</u>

### The Government Architect's Strategy and Design Prequalification Scheme is focused on the delivery of strategic advice, design quality and innovation in the built environment.

The scheme offers a pool of prequalified service providers to assist NSW Government agencies and statutory corporations in engaging external expertise to assist in delivering 'good design' outcomes in the built environment. The scheme offers a streamlined approach for both suppliers and government buyers and is structured to meet requirements of the NSW Treasury Gateway Review process.
