

Now Hiring: Interior Designer / Interior Architect

Role Available: Immediate

Breathe is looking for an exceptional Interior Designer / Interior Architect with 3 or more years full time experience to join our team.

The ideal candidate would have experience working as an Interior Designer or Interior Architect in project delivery, consultant coordination, client liaison, detailing and documentation, spatial planning and sound material knowledge on residential and commercial projects.

Our ideal candidate will:

- Perform as a fastidious and tenacious interior designer whilst undertaking all responsibilities.
- Assist and follow the direction of the director/associates/project architects/ leads, in the running of projects from inception through to final delivery.
- Assist with the preparation of architectural documentation including schedules, sketches, diagrams and other information to adequately explain the design.
- Assist with thorough quality review of drawings and specification for construction of the projects, identifying and resolving issues with the project architect / lead as they arise.
- Assist with the coordination of the project team (clients, consultants, contractors, suppliers and authorities).
- Assist with the establishment and maintenance of project objectives, requirements and budget, maintaining a record of required tasks to be completed.
- Maintain the office material library (keep area tidy and updated)
- Assist with project administration including monthly status reports, invoicing, hours, timelines and deadlines

Essential attributes include:

Tenacity, a thorough attention to detail, problem solving and the strong belief that architecture can be harnessed as a powerful tool for positive change.

Archicad experience is preferable, but not essential for those with comparable BIM comprehension and a willingness to start to learn.

Benefits:

The Breathe team work incredibly hard and collaboratively on projects that are focused on sustainable, social and environmental outcomes - it's not always

glamorous, it's not always fun, but we are relentless and always strive for the most meaningful solution.

Your application will be assessed using Breathe's own non-biased recruitment process, developed specifically by Breathe to allow for a fair un-biased assessment of all candidates prior to interviews.

Applications close: December 5th at 6pm
