

Calling all Senior Architects!

Due to ongoing local and national growth, our Perth Studio is seeking a talented **Senior Architect** to join our team and to realise potential through knowledge driven design.

Expressions of interest are sought from experienced Senior Architects to take on a key role in a variety of projects across multiple sectors, scales and complexity of works.

Ideally you will have:

- A passion and depth of experience in one or more of the following sectors: Education, Aged-care and Commercial Retail.
- Excellent verbal and graphic communication skills.
- An ability to work independently with clients and consultants.
- Possess strong Revit skills, including 3D presentation software, and the ability to efficiently detail and document.
- Knowledge of procurement, construction and building services.
- An ability to lead and develop an internal team
- Experience in delivering projects from concept through to handover
- Aptitude to develop a growing external industry presence

What Brown Falconer offers:

- A flexible working environment.
- A national network of passionate colleagues who seek and share knowledge (nearly 80 years of it!)
- A strong team culture: Team Days, Run Club and Social Committee organised Friday evening and celebratory events
- A competitive salary
- Career progression opportunities and an internal mentoring scheme

To apply, please email bfg.admin@brownfalconer.com.au, attention Michael Jorgensen with a cover letter and your CV, before Friday 29 July 2022.
