

DESIGNING BUILDINGS FOR THE BETTER APARTMENTS DESIGN STANDARDS

for Architects, Building Designers, Landscape Architects and Planners.

Friday May 28th 12:00noon to 1:30pm.

The Department of Environment, Land, Water and Planning (DELWP) and the Australian Institute of Architects invite you to a discussion about how to design higher density suburban housing that meets the updated 2021 Better Apartments Design Standards.

We'll discuss:

- How do we make our streets less windy? (Dr Michael Eaddy – Director, MEL Consultants)
- How do we create welcoming buildings? (James Legge – Director, Six Degrees Architects)
- How to create a landscape setting (Simone Bliss – Director, SBLA Studio)
- How to create great shared and private spaces (Jeremy McLeod – Founder and Design Director, Breathe Architecture)

Attendance will be face to face or via Zoom. There will be an opportunity to ask questions.

This is a complimentary event, but **registration is essential as there are limits on the face to face attendance.** (*Please note – this is not a catered event*).

Face to face venue: Australian Institute of Architects Level 2, 41 Exhibition St Melbourne. Booking via

<https://members.architecture.com.au/EventDetail?EventKey=210514BAD>

To obtain link for Zoom attendance, email vic@architecture.com.au with “RSVP BADS Expert Panel May 28th via Zoom” in the subject line.
