

EmAGN Emerging Project Award

The EmAGN Emerging Project Award recognises work of excellence, submitted by an Emerging Practice or member of the EmAGN demographic (within 15 years graduation from a Master of Architecture).

EmAGN Member Applicant Name

Practice

Practice Position

Member No.

Year of Graduation (Master of Architecture)

<input type="text"/>	<input type="text"/>
----------------------	----------------------

Project Name

Primary category

<input type="text"/>	<input type="text"/>
----------------------	----------------------

The project entry must fall within the following criteria:

- The lead project architect must fall within the EmAGN demographic
- The lead project architect must be a member of the Institute
- The project must be entered into a primary Awards category (if the same project is listed in multiple categories, the project can only be nominated through one of these categories)
- Additional EmAGN demographic team members may be listed to support the application

Please enter the details below for all EmAGN demographic team members (these can include non-members)

<u>Name</u>	<u>Role</u>	<u>Institute member?</u>	<u>Member No.</u>	<u>Year of Graduation</u>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Please complete a summary of up to 500 words about the project and how it has positively impacted and advanced the work of emerging practitioners in SA, and the strengths the EmAGN team brought to the project.

The summary should include but not limited to: personal growth and development, team management, engagement with key stakeholders and application of expertise
