

EPLUS ARCHITECTURE  
EXPERIENCED CAD DOCUMENTER

Eplus architecture is seeking an experienced CAD Documenter.

Eplus architecture is a Bendigo practice that prides itself on maintaining a healthy work/life balance. Our regional location provides an opportunity for an experienced Revit CAD Documenter to join our growing team.

Eplus architecture currently has a variety of work including single and multi-unit residential developments, commercial projects and a combination of government and non-government schools.

Ideal candidates will have 10+ years experience across all project phases, preferably with additional skills such as Lumion, graphic design, written communication and construction knowledge.

Remuneration will be negotiated commensurate with experience.

Please email your application to [eplus@eplusarchitecture.com.au](mailto:eplus@eplusarchitecture.com.au) for consideration. Only those selected to attend an interview will be contacted.

Applications close 5pm, 3rd of March 2021

Australian Residents Only Need Apply
