

Experienced Architect

Our company is a highly respected Architectural practice working on a diverse range of public infrastructure projects. We have a passion for design for community, and for delivering socially and environmentally sustainable design.

The role

We are seeking a talented registered Architect who is passionate about the role of architecture in the community and dedicated to delivering projects to high professional standards. You could make an impact on a range of significant Education, Health, Sport and Community projects in the public sector.

The successful applicant will:

- Be a registered Architect with at least 6 years post graduate experience in the local environment.
- Display an ethical approach with a commitment to environmentally sustainable outcomes.
- Have a passion for working collaboratively both with internal teams and external project stakeholders.
- Be a great communicator, willing to mentor less experienced team members.
- Be a great listener, open and welcoming of new ideas and better ways of doing things.
- Possess a strong attention to detail, and able to demonstrate exceptional documentation and architectural detailing skills.
- Possess excellent time management skills and a strong work ethic.
- Be a proficient REVIT user, and preferably have experience with Lumion and Enscape.
- Demonstrate significant experience in a similar role.

Our office is based in East Melbourne surrounded by parks, close to public transport and a short walk to the city.

The practice provides a welcoming team-oriented atmosphere, where mutual respect and collaboration are core values. We are a carbon neutral practice with a commitment to diversity, equity and inclusion in our hiring policy.

The position will offer excellent job satisfaction for the right applicant. Remuneration will be negotiated relative to qualifications, demonstrated skills and relevant experience. Please note that due to current workload, we may not be in a position to contact unsuccessful applicants.

Only Australian Citizens or permanent Australian residents will be considered for this role.
