

Genton

ARCHITECTURAL GRADUATE RECRUITMENT - MELBOURNE

About the business

Genton is a multi-award-winning Architecture and design practice with offices in Sydney and Melbourne working on projects nationally. The practice boasts a diverse portfolio of Architecture and Urban Design projects delivered by our inclusive team of skilled Architects, interior designers, 3D-modellers and documentation experts.

About the role

We are looking for Architectural Graduates to join our growing team in Melbourne and assist with site based activities on a fast paced construction project. The role will require regular site attendance and close collaboration with the project and construction teams.

We offer this to motivated professionals with proven experience in delivering complex projects as our portfolio covers public projects, technical, residential, arts and cultural buildings, transport and precinct planning that requires exceptionally high attention to detail, strong technical and construction knowledge to achieve the clarity of our design approach.

You will work in a team orientated environment, assisting with site based activities, project coordination and construction stage services on a fast paced project.

You will be a high calibre applicant who is dynamic, reliable and enjoys a challenge. You will have strong organisational skills, exceptional attention to detail and the ability to work effectively in a fast paced construction environment. High proficiency in Revit is essential for this role, and experience in rendering will be highly valued.

To be successful in the role you will have:

- Minimum 3 years' experience as a Graduate of Architecture
- Experience on projects of a reasonable scale and/or complexity
- Excellent communication and presentation skills
- High proficiency in Revit is essential
- Rendering experience is preferred and highly regarded
- Technical proficiencies in Adobe Creative suite, Revit and other tools to communicate design intent including sketching or Rhino
- An ability to work on multiple projects/assignments at a time
- You care about attention to detail
- Ability to prioritise and identify key issues to resolve problems effectively and proactively
- Accountability and ownership of the work you undertake, being a team player that positively supports the project team
- Must be a permanent resident with strong communication skills

This role is full time and will require regular site attendance.

Please send a portfolio of your work (max 10Mb) along with CV to: careers@genton.com.au
