STUDIO

Project Architect (5yrs+ experience)

We are a boutique practice of around 4-6 staff working from a converted warehouse in Cremorne. Our open plan office is design focused, collaborative based and committed to delivering excellent projects. We are currently looking for a talented individual to join our team in a support/documentation role, working closely alongside the Senior Architect/Associate. A proactive personality, strong communication skills and an exceptional design/detailing sensitivity are needed. Experience on highly resolved projects will be an advantage. Vectorworks experience is preferred but not essential, as well as basic knowledge of Microsoft Office, Adobe Suite & rendering software. We offer an excellent opportunity for a talented person to consolidate their skills and expand their role in this established business.

We can offer:

- A friendly, collaborative work environment in an established design focused firm
- Opportunities for professional development and career progression in a supported environment
- A diverse range of projects (including tourism, commercial and multi-res) of varying scale
- A rewarding salary commensurate with skills and effort

Skills & Experience: *Essential*

- A minimum of 5+ years experience (local)
- Excellent communication skills, initiative and a proactive approach
- Base documentation experience on quality projects
- Proficiency in preparing town planning submissions
- Passionate, with a strong design sensitivity, and an eagerness to learn

Skills & Experience: *Preferred*

- Experience on tourism, high-end multi-residential and commercial projects
- Knowledge of Vectorworks (preferred but not essential)
- Fluency in the Adobe Suite and Microsoft Office
- Knowledge of Lumion Rendering

If you think this sounds like a good fit, please email your resume and a brief portfolio of your work to:
