

PROJECT ARCHITECT / DOCUMENTOR**IDLE ARCHITECTURE STUDIO**

Idle Architecture Studio is looking for a motivated architect to join our collaborative, design focused practice operating from a converted warehouse in Cremorne. We are committed to delivering excellent projects and building strong client and colleague relationships. If you are a talented individual with 4+ years' experience working on high-end commercial and multi-residential projects, we offer an excellent opportunity to progress your career while tackling all aspects of the architectural process. Proven design development & documentation experience and strong communication skills are required, ideally paired with a proactive personality. Vectorworks experience is preferred but not essential, as is fluency in Microsoft Office and the Adobe Suite.

If this sounds like a good fit, please forward your resume and a brief portfolio of your work to:
