

SENIOR PROJECT / DESIGN ARCHITECT

Interlandi Mantesso Architects are a mid-sized architectural firm looking for an experienced Architect to join their team.

You will have the opportunity to work on a variety of projects from Multi-Residential to Commercial and Alpine. Our practice uses ArchiCAD exclusively and so experience with this software package is essential.

We work in a relaxed open plan studio environment, are design based and we are located in the heart of Richmond. We pride ourselves in developing diverse skill sets and opportunities for future leaders.

You will be a project leader, who is dynamic & self-motivated & who enjoys working in a high performing culture. The successful candidate should possess;

- At least 8 - 10 years' experience
- Proficiency in ArchiCAD
- Solid Architectural design development & documenting experience
- Strong Professional standards
- Good leadership skills, with ability to manage junior staff.
- Ability to work autonomously
- Excellent client/consultation skills

Excellent salary package to suite experience, please send your CV & folio to info@imaarchitects.com.au. Please note that only shortlisted applicants will be contacted.

You need to be eligible to work in Australia on a permanent full-time basis to apply.
