Dear Thomas

Thank you for the opportunity for the Australian Institute of Architects (the Institute) to provide input into the design competition brief and competition conditions for the Indigenous Centre of Excellence, a project of great architectural significance for both New South Wales and Australia as a nation.

We have reviewed the competition documents provided to us, and we are confident in fully endorsing this competition.

Thank you for your helpful collaboration throughout this process and we look forward to the successful completion of the competition ahead.

Best regards
