

Interior Designer

Practice Description:

Matt Gibson Architecture +Design (MGA+D) is a vibrant and energetic award winning Architecture & Interior Design Studio based in Collingwood, that offers an inclusive & collaborative working environment for potential staff.

MGA+D specialises in thoughtful residential, multi-res, retail and workplace commissions Australia wide.

We have an emphasis on a relaxed studio based atmosphere where we are passionate about a holistic design approach that emphasizes collaboration, innovation, heritage, story telling, detail.

We promote and review individual development & offer opportunities for advancement to leadership roles.

Position Description:

We wish to speak to candidates of mid level experience (minimum 2 years) with a strong design flair and passion with sound documentation skills. You will be assisting on residential projects & working directly with client & consultant teams, suppliers, MGAD directors and staff members. We're are interested in speaking to candidates with a range of experience with proficiency in FF&E and Furniture Procurement skills of particular interest.

You should be proficient in AutoCAD or ArchiCAD (preferable), with Sketch Up and Adobe Suite a bonus.

Applicants should see this as a long term career position.
