

BIRD
de la
COEUR
architects

Bird de la Coeur Architects specialise in housing, including multi-residential housing ranging from high-end apartments for the private sector, to social housing for government organisations, build-to-rent, one-off houses and high-end Aged Care housing. We are a highly organised and experienced team working in an open studio environment.

We are seeking an experienced and dedicated Architect or experience graduate with the ability to carry a design to fruition with integrity. Organisational skills, attention to detail, communication and teamwork will need to be demonstrated. We are a fully ArchiCAD office.

If you can:

- Lead and document multi-residential projects
- Communicate skilfully and effectively
- Liaise with consultants proficiently
- Use ArchiCAD proficiency (essential)

If that's you, please email a cover letter, 1-2 page CV, 5MB max PDF portfolio to folio@bdlc.com.au
