## **Registered Architect or Experienced Graduate of Architecture**

De.arch is a boutique architecture and interior design studio located in South Melbourne. We currently have a range of exciting residential, commercial and hospitality projects and are seeking a registered architect or experienced graduate of architecture to join our busy studio.

You will have a minimum of **4+ years' local post graduate experience** in delivering both single and small scale multi-residential projects. You must have proven experience in project delivery from client relationship / communication, schematic design and development, contract documentation through to contract administration.

The successful candidate will have the following experience;

- You must be able to multi-task and confidently work autonomously (with regular updates to directors)
- Be well organised and proactive in achieving your set tasks and project program
- Capable of producing project specific design solutions
- Local council town planning/ Rescode experience
- Residential design detailing including construction and joinery details
- Coordination of secondary consultant documentation
- Accurate construction documentation to a high standard
- Proficient in AutoCAD & Revit – With proven current documentation skills in both
- Knowledge of relevant Australian standards and building codes
- Strong skills in SketchUp & Adobe Creative Suite
- Must be able to work permanently in Australia and has extensive experience with Australian building standards

The role is a full-time position but flexible working conditions will be considered for the right candidate. If you are design-focused, enthusiastic and diligent, the position is available for an immediate start.
