

Project Architect

Kosloff Architecture is an award-winning design practice and registered BCorp that specialises in public and educational architecture. We are currently seeking an ambitious and culturally engaged Project Architect to join our growing team. We believe that the creation of an authentic and engaged practice culture is integral to producing high quality and lasting architectural design, and that the nature of the workplaces that we build should be equally aspirational in terms of what they provide for the people that work there, as well as collaborators, and the broader community.

We are looking for someone with:

- Experience in documentation and contract administration
- Ability to work autonomously and lead a close-knit team
- Problem solving skills and proactiveness
- Excellent communication skills
- Highly proficient in Revit
- 8+ years local experience
- Experience in education, commercial and public sectors is preferable but not essential

Your responsibilities will be to:

- Manage the delivery of projects to completion
- Coordinate the consultant team and input
- Liaise with clients, stakeholders and contractors to ensure the project is being delivered to a high standard
- Lead the project team, both internal and external
- Ensure buildability and durability of the design concept through high level construction detailing

We offer:

- Five weeks of annual leave a year
- Structured professional development and mentoring programs
- Flexible working conditions
- A dynamic, engaged, inclusive and passionate team environment
- Employee ownership scheme
- Convenient Flinders Lane Studio location

Please email a succinct CV and portfolio to contact@kosloffarchitecture.com
