

Learning Outcomes – Drama Theatre Concurrent Sessions

- Identify key elements of City of Canberra’s community engagement strategy on the Acton Waterfront Park project.
- Describe how learning from the Ngunnawal shaped the design of Acton Waterfront Park.
- Explain the Te Aranga Māori Design Principles and their role in providing practical guidance for enhancing outcomes for the design environment.
- Demonstrate fluency in key terms occurring within the Principles, eg mana whenua, tangata whenua, iwi.
- Enumerate the core Māori values that underpin and guide the application of the Principles.
- Reflect critically on the applicability of the principles to designing with Country in an Australian context.
