

## Learning Outcomes – Embracing Culture: Living Cultural Heritage

- Articulate your core values and consider to what extent they are inherited or critically evaluated.
- Identify how those values impact your decision making.
- Critically engage with the questions of your own identity and what relation, if at all, that bears to Country.
- Reflect on provocations as to what Country is, what relationships she bears to other entities.
- Interrogate how, through design, you stand to impact Country and contribute to cultural practice and expression.
