

MCR (McBride Charles Ryan) are recognised and award-winning industry leaders in providing bespoke, innovative architectural and design solutions. Our many awards include the Victorian Architecture Medal and a World Architecture Festival award. MCR has one passion – providing exceptional design for our clients.

We have just expanded into newly renovated premises at 2 Carlton Street, Prahran located at the heart of the Chapel Street precinct. Due to this expansion, the long-term nature of our project book and unique career opportunities, we are looking to hire talented, motivated and experienced individuals for the roles below who will share our passion for excellence.

FULL-TIME ARCHITECT

We are looking for a team player with excellent communication skills and initiative to progress design concepts through concept, design development, contract documentation and contract administration phases. Strong rendering skills would also be considered positively. This role will provide you with the opportunity to work with experienced studio Architects and allow you the scope to utilise your skills and understanding of the delivery of innovative design.

Our ideal Architect will have:

- 4-6 years' experience as a registered Architect
- Demonstrated detailing and construction knowledge
- A good understanding of building contracts
- Confidence in preparing tender documentation
- Experience conducting site work and contract administration
- Australian citizenship/permanent resident visa
- Driving license

As an office, we actively engage with new 3D software and its applications. Fluency in Revit is preferred along with the Adobe Suite, Rhino and Microsoft Office. Strong rendering skills would also be considered positively.

Email your CV, sample portfolio and covering letter to mail@mcbridecharlesryan.com.au. Please quote reference MCR ARCH_19 in the email subject line.

FULL-TIME GRADUATE OF ARCHITECTURE

At MCR we encourage and mentor young designers within the practice, encouraging teamwork and fostering alternative viewpoints. This role will allow you the opportunity to work alongside experienced studio architects and you will be provided with the scope to utilise your creativity, skills and understanding of the delivery of innovative design.

Our ideal candidate will have:

- 2-3 years' experience
- Exceptional design skills
- Excellent communication skills
- A flexible, team orientated and collaborative approach
- Drive and initiative to progress design concepts through concept, design development and contract documentation phases.
- Australian citizenship/permanent resident visa
- Driving license

As an office, we actively engage with new 3D software and its applications. Fluency in Revit is preferred along with the Adobe Suite, Rhino and Microsoft Office. Strong rendering skills would also be considered positively.
