

### About MCR

McBride Charles Ryan (MCR) is a medium sized practice providing Architectural, Interior Design and Master Planning services within the educational, residential and health sectors. We design memorable buildings and spaces that are bespoke manifestations of our client's vision.

### Experienced Architect

MCR is seeking a full-time Architect to join our team. This role provides an experienced Architect with an opportunity to work on large multiple residential or educational projects with design mentorship, responsibility, and leadership development. You are expected to have over 5 years' experience, across all stages of project delivery and have a strong understanding of design, documentation and construction knowledge.

In this role, you will be a lead or second-in-charge of a project team delivering a project through the various stages of design, documentation and construction. You will be expected to collaborate closely with your project team and directors. For those who excel in the role, opportunities for greater autonomy and leadership will be provided.

Key attributes and technical skills are listed below.

#### Attributes:

- Excellent organisational skills
- Strong initiative and a logical intuition
- Strong visual/graphic design skills
- Great ability to work collaboratively
- Competent verbal and written communication skills
- Competent architectural/spatial design skills
- Competent understanding of construction principles
- Ability to incorporate and coordinate consultant documentation
- Eligible to work in Australia

#### Technical Skills:

- Rhinoceros 3D (essential)
- Autodesk Revit (essential)
- Adobe InDesign, Illustrator, Photoshop (essential)
- Rendering skills in Enscape / Twinmotion / Unreal Engine (preferred)

We welcome your response, outlining your skills, experience and thoughts about how your abilities would add value to MCR.

Please email your CV, sample portfolio (PDF Max 10MB) and cover letter to [mail@mcbridecharlesryan.com.au](mailto:mail@mcbridecharlesryan.com.au). Please quote reference A-25 in the email subject line.
