Job description

About PMDL Architecture & Design

We are an international team of architects and interior designers working as one practice across 3 studios. Over the past 25 years, we have grown in both scale and reputation. Our studios – located in Melbourne, Sydney and Hong Kong – share a vision and culture and function as one practice. Drawing upon our team members' diverse pool of knowledge and experience, we collaborate to reach solutions for our clients that consistently surpass their expectations. We believe in questioning each brief in a way that maximises design opportunities for creative solutions. We value diversity and good work-life balance and offer an environment where each team member's voice counts.

About The Role

We are looking for an ambitious Project Lead with demonstrated strong design skills and commercial experience to join our Melbourne studio. The ideal candidate will drive a diversity of ideas whilst exploring creative value-added solutions at every stage of each project. We are looking for a strong client-facing candidate who has a demonstrated record of managing a team to deliver quality outcomes.

Requirements

- Registered architect
- 5+ years post registration experience
- Strong aesthetic sensibilities and design skills
- Ability to coordinate construction details and innovative solutions to meet design intent and budget constraints
- Experienced in leading a team
- Comprehensive knowledge of NCC, construction detailing and procurement processes
- Strong 3D CAD skills, preferably Vectorworks / Revit, with rendering skills using Lumion
- Proficiency in other platforms such as Adobe Creative Suite, SketchUp and Microsoft 365
- Experience in education, commercial and leisure sectors a plus
- Keen interest and awareness of architectural affairs and trends both locally as well as globally

To Apply

Please send a **pdf** document with your CV and **sample of your work** to melbourne@pmdl.com.au and we'll be in touch!

We are also looking for other roles in Architecture & Design, please feel free to contact us for more information.
