

Graduate of Architecture

Position Description:

We wish to speak to candidates with approx. 2+ years experience, with strong design passion and sound documentation skills. You will be assisting on residential projects & working directly with client & consultant teams, Authorities & MGAD directors & staff members.

We are interested in meeting applicants who see this as a long term career position. You should be proficient in ArchiCAD preferably, with AutoCAD, Sketch Up and Adobe Suite a bonus.

Practice Description:

Matt Gibson Architecture +Design (MGA+D) is a vibrant and energetic award winning Architecture & Interior Design Studio based in Collingwood, that offers an inclusive & collaborative working environment for potential staff.

MGA+D specialises in thoughtful residential work, multi-res, retail and workplace commissions Australian wide.

We have an emphasis on a relaxed studio based atmosphere where there are healthy discussions on design approach, detailing methodologies & strategic vision. We promote and review individual development & offer opportunities for advancement to leadership and managerial roles.

Application:
