## **MID-LEVEL PROJECT ARCHITECT – 12 MONTH MATERNITY CONTRACT**

TALENTED ARCHITECT REQUIRED, HIGH-END RESIDENTIAL ARCHITECTURE STUDIO FOR 12 MONTH MATERNITY LEAVE COVER. OPPORTUNITY TO CONVERT ROLE TO FULL TIME AT COMPLETION OF CONTRACT, PENDING COMPANY REQUIREMENTS.

### The Company

Merrylees Architecture is a highly successful, boutique architectural practice located in Prahran with an excellent reputation through the inner South-East and Bayside areas for delivering design-led solutions in the residential sector.

The business is enjoying sustained growth and, with a strong pipeline of exciting projects, now requires a mid-level architect to join their team of four practitioners for an initial 12-month contract to cover maternity leave.

### The Role

This role is a 12-month contract with the potential to convert to full time employment at the completion of the contract, depending on company requirements.

The role requires an experienced architect with upwards of 5 years' full time practice experience who has confidence working across all project stages, from concept to completion.

The practice prides itself on a modern, design-led philosophy and has built a studio culture of collaboration, work-life balance and professional development. This role will suit a dedicated high achiever who is confident in client management, has experience leading their own projects and possesses a natural flair for architectural and interior design.

### Mandatory Requirements

**Important: Please note, only applicants who meet the following criteria will be shortlisted for consideration:**

- **Minimum of 5 years' experience in Melbourne's high-end residential architecture sector**
- Confidence working across all stages of project development, from concept design to contract administration
- Advanced AutoCad and 3D SketchUp modelling skills
- Strong design skills and a genuine passion for trending architecture
- Strong project management and client management skills
- Ability to multi-task and work to multiple project deadlines

- Self motivated and willingness to propose new ideas and ways of doing things
- Dedication, attention to detail and strong work ethic

In return, the successful applicant will be rewarded with an exciting role at a dynamic and growing architecture studio, offering genuine design and on-site experience, and a generous remuneration package for appropriate experience.
