

SENIOR PROJECT ARCHITECT - FULL TIME - FLEXIBLE WORK ARRANGEMENTS

Merrylees has a strong pipeline of exciting projects for 2022! We are fortunate to have some incredible clients entrusting us to design their dream homes. Honestly, these projects are the types you fantasise about working on when you become a qualified architect and we feel so lucky to be involved!

We are a fast-growing studio, with a well-established client base in the Bayside area of Melbourne. We believe in working smart, not hard. We believe in servicing our clients, solving their problems and delivering the best possible outcome for them, not us.

When we recruit, we are looking for intelligent people who fit the job description but MOST importantly will be a great fit to ensure we maintain our healthy studio culture and client service. With this role, you will have the RARE opportunity to carve out a long-term leadership position as the practice grows. Please apply if you are a DIRECT MATCH and an experienced, career hungry architect.

Please email your cover letter, portfolio and CV to deborah@merryleesarchitecture.com

The Role:

The role requires a registered architect with upwards of 6 years full time, local architecture experience who has confidence working across all residential project stages, from concept to completion.

This role will suit a dedicated high achiever who is confident in client management, construction administration, has experience leading their own projects and possesses a natural flair for architectural and interior design.

Experience:

- Minimum of 6 years' experience in Melbourne's high-end residential architecture sector
- Registered Architect with the ARBV
- Confidence working across all stages of project development, from concept design to contract administration
- Advanced Revit and 3D SketchUp modelling skills + AutoCAD skills are a bonus
- Strong design skills and a genuine passion for trending architecture
- Strong project management and client management skills
- Ability to multi-task and work to multiple project deadlines
- Self-motivated and proactive in proposing new ideas and ways of doing things
- Dedication, attention to detail and strong work ethic
- Interested in business development, growth and leadership

We are always on the lookout for design-focused, talented and highly motivated architects and interior designers to join our team. If this sounds like you please email your portfolio and CV to deborah@merryleesarchitecture.com
