1. Overview

Position	Project architect
Commences	As soon as possible
Employment basis	Full time
Pay	Negotiable based on experience
Location	Brunswick East
Office dog	Yes

2. Who we are

At Mihaly Slocombe, we craft purposeful architecture with joy.

We're a diverse team of nine (or ten, if you include Winnie our Chief Happiness Officer) working on an exciting range of houses and schools. We're a friendly bunch that enjoys a strong connection to the local architecture community and grabs lunch together on most days.

Erica and Warwick are leaders in the profession, closely involved with ArchiTeam and the Australian Institute of Architects. Erica is also an examiner for the Architects Registration Board of Victoria. Warwick writes Panfilo, Australia's most widely read business blog for architects, and co-hosts In Detail, a podcast that takes listeners behind the scenes of creative business.

3. The role in a nutshell

With the departure of one of our wonderful architects, who is setting sail for sunny Europe, an opportunity has opened up to join our team.

We're looking for a talented and energetic architect to replace her. You'll need to work collaboratively, think creatively and have strong attention to detail. You'll use your design talent, industry experience and organisational skills to create great architecture and run projects from inception to completion.

You'll do everything that needs doing on your projects, from design and detailing to client liaison and construction. You'll have the support of Warwick and Erica to drive the successful and timely delivery of project deadlines. You'll play an important role in contributing to the culture of our small studio.

4. You can do it because

You are a registered architect with 5+ years post-graduate experience

You love design, and being an integral part of the creative process

You have Jedi mastery of ArchiCAD, SketchUp, the Adobe Creative Suite and Microsoft Office

You have experience working on new houses, house renovations and public schools

You have strong design and documentation skills, knowledge of construction and a passion for craft

You have exceptionally high professional standards, excellent judgement, and quick and accurate problem solving

You have second to none time management skills – you love a good deadline and thrive under pressure

You have excellent communication skills

You have laser-like attention to detail, know how to prioritise and can multi-task like a champion

5. What's in it for you

You'll be joining a passionate, diverse team of architects who are friendly, love a good laugh, love a good dress-up, and love baking cakes for each other. Our team enjoys being around each other between 8.30am and 5pm each day, and working in the heart of Brunswick East with easy access to public transport and good lunch spots.

You'll get the chance to work on exciting projects across a range of types, all with a strong commitment to great design and doing good for the planet.

You'll work in a well-structured studio that cares about you and gives you the experience you need to grow further in your career. And most importantly, you'll have the opportunity for daily Winnie pats.

6. Contact

Send us your resume at info@mihalyslocombe.com.au, and tell us why you think we'll be a great fit for each other.

Looking forward to hearing from you,
Warwick Mihaly and Erica Slocombe
